COMMENTS FROM THE PUBLIC –

Mr. Gary Gronkowski of 36 Birch Ave asked Council to please do something about the noise coming from the diesel refrigerated trucks that idle 24/7 days a week since November at Spreetail. Mr. Gronkowski stated it is not just the noise it is the trembling of the walls in the house facing the warehouse. Mr. Gronkowski stated he and his wife have been sleeping apart to get away from the disturbance of the refrigerated trucks; he sleeps on the couch and his wife

sleeps in a spare bedroom. Mr. Gronkowski asked that Council does more than just send an email to Spreetail; the city needs a noise ordinance. President Joseph Dougherty agrees that city residents should not have to live with this and he suggests that the Mayor and Solicitor go see them personally and schedule a meeting with the developers to discuss this issue. Mr. Gronkowski also stated that the truck traffic using Kosciuszko Street rather than the South Valley Parkway is also a nuisance. Mayor Coughlin agrees that they need to be spoken to and Spreetail should be good neighbors to the city residents. President Joseph Dougherty stated the police are out to stop the truck traffic by fining them on each occurrence if they are using the incorrect routes in and out of the city.

Mr. Michael Zaremba of 20 Cherry Drive stated Mr. Gronkowski covered everything on the issues with the refrigerated trucks idling 24/7 and he questioned what is going on with the garbage because when he called Berkheimer, they were unable to answer any of his questions. Finance Director Jennifer Polito explained due to the transition to Berkheimer, there is a delay in sending out the Refuse Bills for 2026 until Feb. 1, 2026. Jennifer stated Berkheimer was unable to answer your questions because they are still in the set-up phase and residents have not been issued identifying numbers as of yet. Jennifer stated once the bills are issued, residents will be issued an account number and the bills will have a phone number and website printed on them for customer service.
