1st Annual Charity Golf Tournament to Benefit Foundation 58

Dear Sponsor,

The members of Nanticoke Career Firefighters IAFF Local 2655 will be holding a golf tournament to benefit Foundation 58 on May 24th, 2024 at Sand Springs Country Club. Foundation 58 is a nonprofit organization established in 2005 in memory of Deputy Chief Gabriel Mhley of the Hazleton City Fire Department. Foundation 58 is dedicated to providing support services to first responders throughout the United States. Foundation 58 seeks to educate first responders about health crisis caused by duty related exposures, provide equipment and programs to prevent risks, and assist first responders facing a health crisis due to exposure. Foundation 58 has donated over \$250,000 in grants to first responders battling cancer, first responders in crisis, including education, prevention, and referral services. Members of the Nanticoke City Fire Department and their families have received such assistance and it is our goal to give back to Foundation 58. 100% of the proceeds raised by the golf tournament will be donated to Foundation 58, and we are asking for your help. We are currently looking for event sponsors, hole sponsors, and general donation sponsors. Any and all help is very much appreciated. Please consider donating to this very worthy cause. Please see the below mentioned sponsorship opportunities.

Event Sponsor – A \$500 sponsorship will make your company/business a premier sponsor of the event and have your advertisements listed on event signage as a premier sponsor.

Hole Sponsor – A \$100 sponsorship will have your company name/business on signage on a designated tee box.

General Sponsor – A \$50 sponsorship will list your name/business as being a general event sponsor on our event sponsors list.

Please see the next page for selection of sponsorship and information
